XIII AGRICULTURAL SCIENCE CONGRESS

INDIA EXPO-2017

21-24 February 2017

UAS, GKVK, Bengaluru, India

UNIVERSITY OF AGRICULTURAL SCIENCES, BENGALURU

ORGANIZERS

PARTNERS

Dear Sir/ Madam,

The University of Agricultural Sciences, Bengaluru in collaboration with National Academy of Agricultural Sciences (NAAS), New Delhi and Indian Council of Agricultural Research, New Delhi hosting the **XIII Agricultural Science Congress (ASC)** from 21st to 24th February, 2017 at GKVK, Bengaluru. The focal theme of the Congress **Strategies for Climate Smart Agriculture**. As part of the Congress, India Expo will be organized for four days, which will provide an intellectually stimulating platform for exhibiting the entire gamut of research and developmental issues in Agriculture and allied sciences related to the theme. Agricultural scientists across the country, agri-entrepreneurs, policy analysts, financial institutions, students and above all, the innovative and progressive farmers are expected to participate in the ensuing India Expo. The event will provide greater opportunities for the State and Central Government Departments, Institutions and R&D Centres, agri-service providers to showcase their innovations and services and interact with the potential clientele. ASC India Expo is expected to accommodate 150 exhibitors which will be witnessed by more than 50000 visitors. Being one of the esteemed and reputed institution your presence is solicited in this Expo. The Expo Stall booking, Sponsorship Forms and layout plan are enclosed here with for your kind consideration. Kindly book the stalls before 10th January, 2017. For Sponsorship entitlements kindly contact the organizers. **Solicit your cooperation and participation in the XIII Agricultural Science Congress India Expo-2017.**

With regards

Yours faithfully,

(K. Jagadeeshwara)

Director of Extension &
Chairman, Exhibition Committee
